Dates available for internship:

Describe any previous farming or gardening experience you have (experience not required)?

What are your reasons for wanting to spend a season on an organic farm? What do you hope to gain from your time spent here?

Do you have any food allergies or food restrictions (vegetarian, etc.)?

Do you have any physical limitations that might impact your ability to live in a rural setting and do physical labor in hot humid weather, cold wet weather, or beautiful sunny weather?

Animals are an invaluable part of our fertility program, how do you feel about farm animals and working with them?

Tell us what skills you will contribute to our farm during your stay:

Will you have your own vehicle?

Tell us anything else you feel we should know about you and your personal interests:

Who are your heroes and why?
